Subject : Paper-Setting

Sir/Madam,

It is our privilege to request you to kindly act as Paper Setter/Examiner in the subject of Zoology course No. Paper U207E - 501 of the B.Sc V Semester Examination 2018. kindly set 3 different sets in duplicate of the Question papers on the material sent herewith as per enclosed syllabus and arrange to send it to the Controller of Examinations, University of Jammu, Jammu at the earliest in the enclosed envelope duly stamped of proper value.

Perhaps you are aware that like other Universities of the Country, we are also observing both original EVALUATION as well as the RE-EVALUATION. The assessment by different Examiners about answers written to the questions set in the question papers often differs enormously. This difference is not only bringing down the quality of higher education, which was once held in high esteem and considered prestigious, and which the academicians of the Country had carried forward with their tremendous hard-work, and is also down-grading the good image of the University as well as the teaching fraternity as a whole. Therefore, in order to curb this menace, we at the University of Jammu need your support. I shall feel grateful if, while setting the question paper, where ever objective questions are to set, you do not forget to formulate a KEY for making the answers. To my mind, it may include standard answers to each question and the method of awarding marks of the same. I am aware that this effort is bound to increase tremendously, the already heavy load of your academic and administrative responsibilities, yet being aware about your kindness and generosity, I am confident that you would kindly continue to provide your goodwill and co-operation as heretofore.

Your cooperation for both setting of the question paper as also the key for evaluation shall be immensely valued by all of us.

However, if you are ineligible for any of the reasons mentioned in the general instructions or unwilling to accept the offer, all the papers sent here with may please be returned immediately in the envelope sent herewith (duly stamped).

Please keep this assignment strictly CONFIDENTIAL.

The University is making payment of remuneration on submission of remuneration bill, (enclosed with this offer) complete in all respects. You are therefore, requested to kindly send the same along with Question Papers, in a separate cover so that the payment is made to you at the earliest.

The Identification Mark allotted to you as Paper Setter and Examiner of the University is CBU-V/05. The Identification Mark may please be quoted in all the correspondence relating to this assignment.

Thanking You,

Yours faithfully
