EDITORIAL

It's a matter of great joy and privilege for me to present the College Newsletter "AAEENA", for the Academic Session 2016-17, which speaks volumes of activities carried out in the current academic session. I have a sense of satisfaction that the college has done reasonably well in pursuit of realizing its institutional goal. The students of the college have excelled in academics, co-curricular and extra-curricular activities and brought laurels by fetching top honours in the University examinations. The teaching faculty of the college has attained the milestones as many teachers attended various courses and workshops organized by different Universities and also presented papers in National and International Conferences. The committees constituted for different activities have done remarkably well in all the fields and areas assigned to them.

Many Workshops, Seminars, Symposiums, Debates and Guest Lectures were organized in the college. The newly constructed Administrative Block has given a new look to the college. The students and staff of the college, realizing their social responsibility have contributed a handsome amount of money and distributed among the flood victims of Poonch and the Valley.

Last but not least, the Editorial Board of this issue has done a remarkable job by putting their utmost efforts in completing this project in a very short span. My heartiest greetings to all those who have been a part and parcel of this issue. A lot more has to be done in the days to come.
